I was sure there was someone behind me just now...

Oh, no-
It was nothing, really.
Besides...
I wasn't able to protect you in the end...
It would seem that I need a lot more training...
No -
That couldn't have been helped either way...
Huh...
It really sucks when things don't go the way you want them to...
It's unbearable, isn't it...?

Unbearable indeed...
Yes...

Aren't they so cuuute?

And so, I thought that I should do something to help you...
Well they certainly do look cute.

I actually wanted to pull off some super cool move or something... But...
All I managed to do was that...
What're you talkin' about? You did good!
Ow... That hurt...

Well isn't THIS a nice atmosphere...
WAH!
Jump
Ringo - WHEN DID YOU GET HERE?!
Just a little while ago.
You sure did get here fast...
Yes, this place is pretty close to the dorms, so I just rushed on over.
Anyway, do you mind explaining the situation to me?
Oh... That...
I see... Understood.
Hakuba-senpai, I'd like to thank you for helping Ryouko-chan out of that situation back there.
BOWS
Oh, no problem.

We will consider this act as a loan from you to us, so please; if you're ever in need of our services, don't hesitate to ask.
Oh, you don't have to do that. I don't mind.
No, I cannot accept that!
Lending is lending, and borrowing is borrowing...
We are from the Otogi High School Mutual Student Support Association.
For us to dismiss a loan, we would would lose our reputation and reason to exist!
Alright.
Then I'll count on you if I ever need any help!
Okay!
So... We're going to call the police now. What are you going to do, Hakuba-senpai?
Well, given the circumstances, I don't think anything bad will happen, but...
Things might change...

I see... Well then, I suppose I'll take my leave now.
Then-
Thank you very much!
For helping us, I mean.
Well, have a nice night!
20
I guess it can't be helped...
We may have just taken out a loan from a very bad person...
You sure? It certainly could be bad to take out a loan from someone in the sports club...
It isn't the sports club that we should be afraid of... But rather Hakuba-senpai himself...

Huh?
What's that got to do with anything...?
Senpai may have taken an interest in you after today's events, Ryouko-chan...
Because that man is a...
Womanizer...
And if that's true...
He could use the loan as an excuse to do 'this' and 'that' to you!
Th-THIS IS VERY BAD!!
Shake

There's no way anyone would ever want to do that kind of stuff with me, right...?
Oh well...
There are others...

What's your opinion, 'Number 1 Ryouko lover?'
Eh?
Oh... Um...
Ookami-san...
Is very, very attractive!!

Well, there you have it
.....
That's right... They might ask you some questions... In that case, you should answer them quickly, but honestly.
Well then... Let's just put teasing Ryouko-chan on hold for now... Look, the police have arrived.
SIRENS
What do you want me to do?
Also, come by the club room again tomorrow.
Um... Okay...

Good work last night.

Besides—
I didn't really do anything worthwhile—
WAAAHH! I WAS SO SCARED! EEEEP!
Waaahh!
Crying won't get us anywhere.
Uhuhuhu
No... Compared to you, Akai-san...

They all play a part and serve a purpose.
No, the things people can and can't do...

That Senpai on the other hand...

Hm?
Oh. Yeah...
You did what you could, and gave it your all.
REALLY!?
Right, Ryouko-chan?
You should be proud of yourself.
Eh...?
Now then, about why I called you here...
I'll get straight to the point.
We would like to make you our comrade.

Um...
Mind if I ask why?
Is it not enough that we take interest in your reliability?
But... It's not like I'd be of any help to you guys, right?
You don't give yourself enough credit...
Your special abilities would be plenty of help to us.
Your ability to erase your presence. We can use that for infiltration jobs.
You would be extremely useful- as long as you stay out of peoples' sights.

Besides, if you join us, you'll be able to hang out with Ryouko-chan all the time!

This place here...
Used to be a bomb shelter before the school was built over it.
Since then, it has gone through many renovations. We may or may not have over done it...

Yes, the new guy everyone's expecting much out of: Morino-kun.
Head spinning
Is this the one I've heard so much about?
A maid.. why is there a maid..
In a place like this...?
Just who's expecting much out of him...?
Wha - What?!
SURPRISED
Ryouko-chan... You're blushing!

My apologies for the late introduction; my name is Tsurugaya Otsuu.
Pleased to make your acquaintance.
M-My name is Morino Ryoushi...
Pleased to meet you!
Now that that's over...
Let me introduce you to the others, Morino-kun.

Aww... Do I have to?
Isn't this the kind of stuff you're supposed to do, Alice-kun?
President... Please work from time to time.
Hmm...
I guess you're right.
...
Hold on... It seems we have a customer.

BLIP
Oh, is that right?
Beep
Yup.
Take a look.
Hey, Alice-kun... The 2nd year students are still on duty right?
Yes, that is correct.
Then let's get the 1st years involved as well... It would be best for them to see the process first hand.

Well, there is some truth to what you just said...
Let's give this 1st and 2nd year co-op request a try.
You only don't want to get your hands dirty...
Yup! Don't I just come up with the best ideas?
Also, through working together, they will create bonds and become closer with one another, right?
HA-HA はは
That's totally not true!

However, only the 2nd years will go above, while the 1st years stay down here on standby.

Well then, if you'd please, Tsurugaya-san.

.....

There sure are a lot of girls here, huh?
Indeed.
Besides you, the only other boy here is the President.
*TL/N 'Okama' is the Japanese term for a girly man
That's correct.
But even though the President is a boy, he is completely useless!
He's such an okama*.
STAB
Haha...
Akai-kun... You can be so rude sometimes. Don't you think so too, Alice-kun?
I believe that was an appropriate assessment.
Well, she only solves problems with violence, right?
I am, however, a pacifist.

Also... I am not girly...
Then, shall we call you... a "cross dresser"?
You're as strict as ever...
コホン
Ahem
ANYWAY!
While Tsurugaya-kun makes her way up top, shall we introduce ourselves?
Regret-tably...
My name is Kiriki List.
I am the president of this place.
This cool beauty here is Kiriki Alice-kun.
She's the Vice-President.

If you ask me why I chose this managerial position...
Well... Then I'd say that it's similar to working at a bank!
Technically, the official name is Otogi High School's Mutual Student Support Association, but...
Otogi Bank is more... appropriate I guess.

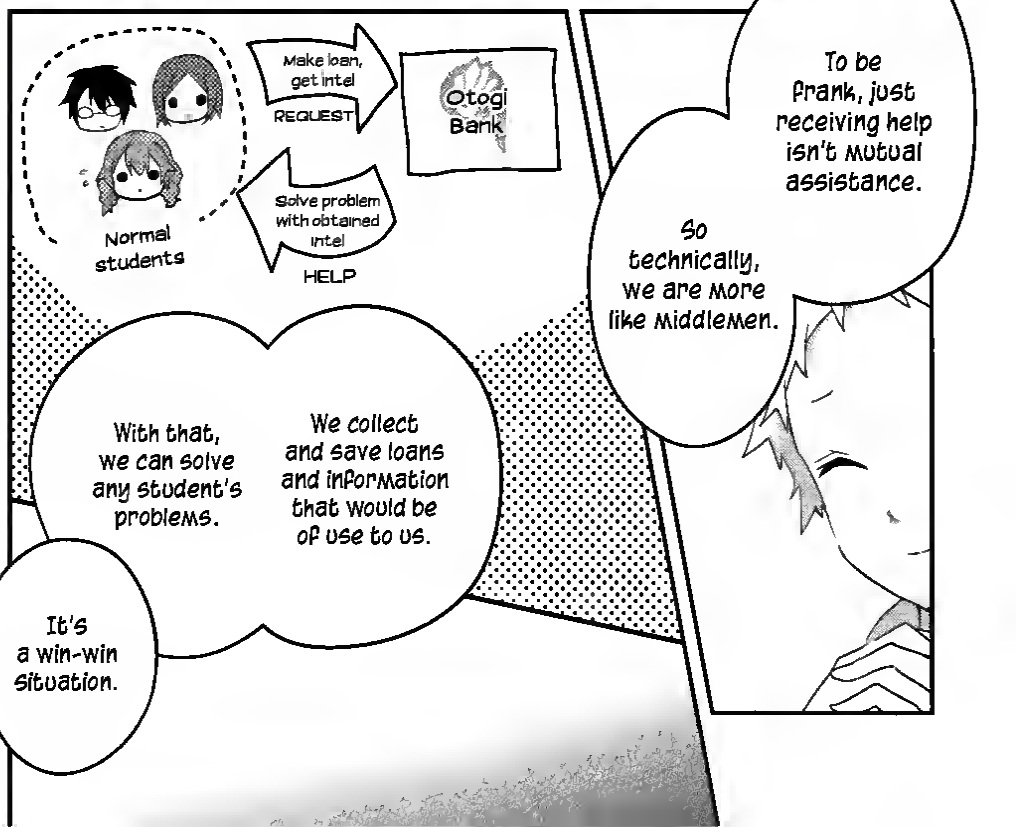
By the way, our club's purpose is to provide mutual aid to our fellow students, as well as improve the school's environment, and to help maintain an enriching school life for everyone who attends it.
But still, it seems like a ridiculously shady operation, huh? Personally, I would have zero trust for such a suspicious organization.

But just how is what you guys do similar to that of a bank?
?
YAWN
くぁ…
About that...
Well, you'll find out here in a sec...
Welcome!
What would you like to drink?
Bla-
Black tea, please!

Sorry for the late introduction. My name is Tsurugaya Otsuu.
I look forward to working with you.
I'm Haibara Kakari, and I l-look forward to working with you as well.
Wonderful! I am pleased to meet you, Haibara-sama.
Now then... Shall we move on to the main reason of your visiting us?
You are aware of our system's procedures, correct?
Y-Yes!
After I receive your assistance, I am expected to help you in return, at a later date.
Yes. That is correct.
Our organization provides the first "loan", and we collect "payment" once we are in need of your abilities.
Also, please remember that if you could provide us with important, not-well-known information, the debt can be settled without further need of "payment".
Oh... Okay.

Oh... So that's how it's like a bank...
Exactly. A bank for lending and borrowing.
Our motto is "Mutual Assistance", after all.



Make loan, get intel
REQUEST
Otogi Bank
Solve problem with obtained intel
HELP
Normal students
To be frank, just receiving help isn't mutual assistance.
So technically, we are more like middlemen.
We collect and save loans and information that would be of use to us.
With that, we can solve any student's problems.
It's a win-win situation.

Through doing this, we create loans with various people and organizations, and receive copious amounts of intelligence.
Using these connections and information, we guide the school in the right direction from the shadows.
Allowing for a more enriching school life.
That is our job.
At least, that's how I personally see this company... But I suppose everyone else views it as a bad society.
The world is supposed to prosper while under our care! It sounds as if we are trying to rule the world from behind the scenes based on how I said it, but...
Please refrain from making such comments.
I think stealth is a glorious art!
Definitely better than Knights of Justice or something like that.

Well that's that... Do you understand now?
Yeah... Mostly...
But there's more to what we do than just that... You know about the Big Three, right? Student Council, Sports Society, and Culture Society.
Through some moderate interference, these three societies are in a deadlock with one another.
But isn't it so much more fun if one has more power than any of the others?
Your superiors?
Our superiors feel that way, at least...
Yeah, if I'm the demon king, then my superior would be the Devil.
The foundation principle of this school is to nurture extraordinary talented people.
So this school should be nothing but a swirling hell hole of non-stop studying in the pursuit for knowledge, right?
Remember when I had mentioned the Devil?

Our superior is one of the school's original alumni, Aragami Ranpo.
That's why we are not affiliated with the Big Three.
And we have that prefabricated hut and this underground base as club houses.
We don't get that sense of satisfaction from their smiling faces or from volunteering.
Yup, and that's because of all our hard work.
Oh... Okay...
Well...
It seems Tsurugaya-kun is plenty satisfied with smiling faces and that sense of accomplishment.
So, what do you want to request of us?
Yes... Um...

You know that 2nd year Ooji-senpai got injured and can't play tennis, right?
Yes, we are aware. I have tennis during first period.
.....
Who's Ooji?
Are you serious, Ryouko-chan?
Saying that doesn't change the fact that I don't know...
Sigh... You're really lacking in the girly qualities department, Ryouko-chan.
MIND BLOWN
Urk.
W-Well, I don't know who he is either, so...
PEEK
Wh-What kind of person is this Ooji-senpai anyway?

*TL/N Ooji sounds exactly like 'ouji', the Japanese word for 'prince'
Ooji Akihiro, 2nd year, Class B, Sports type.
His looks are perfect for tennis players and his name fits perfectly with his title, the *Prince of Tennis.
By the way, he's also among Otogi High School's top 10 hottest.
Do you read Otogi Sports?
That Mr. and Mrs. Contest article always reminds me what time of year it is, but...
Never heard of it.
Alice-kun... Would you please?
Yes.
FLIP
This is it.

Hmm... This guy here...
Wait... The first one is... Hakuba-senpai?
I see... Yeah, he's got a nice face...
Ah, the same Hakuba- senpai we just made a loan with?
By the way, our very own Alice-kun and Tsurugaya-kun...
Are very good at what they do, but aren't even listed in the rankings.
Wealthy family, good looks, smarts, good athletic ability. Does he even have any flaws?
He's very good at hiding his true skills, otherwise he'd be at the top of the list, right?
キャ～～♥
But it seems they both have hardcore fans.
Tsurugaya-kun's fans are nothing but Maid-obsessed freaks.
And Alice-kun has her freaks who love cold and abusive women...
Please shut the hell up...

謎の美
Who is this beautiful and mysterious girl at the top of the girls' ranking?
21
First semester 1st years aren't in these rankings because they don't even know about them, but...
Second semester 1st years are quite popular among these rankings.
I think Akai-kun will go very far up next season's ranking.
Although, I'm pretty sure that all her votes will be from freaks that fantasize about young, underage virgins.
Please shut the hell up.
Please... shut...the... hell...up...
...
Eh? But why?
Please shut the hell up.
Oh, that's-

So what exactly happened with Ooji-sama?
I used to play tennis when I was in middle school...
But I quit due to family matters...
There were many depressing times where I would just stare at the tennis courts...
And then, suddenly... Ooji-senpai called out to me!...

What are you doing out here?
Er... Nothing... I just...
Do you want to play?
I can get the captain of the girls' team for you.
Thank you...
For your kindness, but...
I was in the tennis club before, but due to family circumstances, I had to quit...
But...
Whenever I watch you play, the fire in my heart just won't stop blazing...

So... Um...
Would it be alright if I just came to watch you play from time to time?
Of course!
That's totally alright!
But when I heard he suffered a severe injury and couldn't play tennis anymore...
GRIP
Senpai saved me whenever I was feeling down...
So this time, I want to...
Watching Ooji-senpai having fun playing tennis had always cheered me up...
We kept seeing each other like that until he graduated middle school...
After that, every time I was free, I'd go to the tennis courts and watch him play...
And even though I was only there to watch, just saying 2 or 3 words to him made me very happy...

SPARKLE
So much tension...
Aww, such a wonderful story!
Whenever Tsurugaya-kun hears of an act of returning a favor, her eyes light up.
Return the favor!
You want to save him like he saved you!
The reason she's working for us in the first place is because she's returning our favor.
TAK TAK TAK TAK
During her second year of middle school, Haibara-san's mother died of an illness.
It seems she was unable to continue tennis due to financial problems.
It also seems that she was showing quite a lot of potential as a tennis player.
Hmm... This sure is interesting...
HOW DO THEY EVEN KNOW ALL OF THAT?

Ooji-senpai intends to quit the tennis club due to his loss of confidence...
You want to help him get back on his feet because he helped you in the same way before!
UNDERSTOOD!
Y-yes...
PLEASE HELP ME!!
Since he needs to submit his resignation to the Sports Society, we must intercept that confirmation.
In order to leave the club officially, he needs confirmation from both the club's captain and advisor.
Now it all makes sense.
PLEASE FIND A WAY TO KEEP SENPAI FROM QUITTING THE CLUB!
Especially since any other club he joins afterwards wouldn't think too fondly of him.
Hmm... Such a hassle...

TAK
No.
Tomorrow is a holiday, so the Sports Society is processing their paperwork today.
What's even worse is that the Sports Society processes these kinds of requests every Friday...
Today is Thursday, so not counting tomorrow, we should have a little over a week to do this, right?
.....
.....
.....
Umm...
Good thing you became friends with the Tennis Club captain.
Yes, I am in contact with the captain, Ninomiya Natsumi-san.
Here.
NOD
Alice-kun... Cellphone, please...

Note He's speaking with a girly tone.
Hey~!
GRAB
Ah, is that so? Is that so?
What are you doing?
Shh, just watch and behold.
It's me, Natsumi~! Long time not talk~!
He has a different repertoire for each of his many cellphones.
Heh, heh. Disguising his voice is one of the president's many hobbies!
HEAD SPINNING
キョロキョロ
Eh?
Wha?
WHA!?
So like, I was wondering if you might know where Ooji-senpai is~?
Do you know anything~?

Wig
Fake eyelashes
Makeup
Chest pads
By the way, the mysterious and beautiful girl at the top of the girls' ranking...
No wonder...
Sure he's a guy, but I'm beginning to question whether or not that's really the case.
It's true that only girls would see it that way, though.
!!
It seems as though Ooji-san has already left for the Sports Society...
Really~?
Uh-huh... Uh-huh...
Oh, thank you so much~! Kay, like, see ya later~!
Beep
Oh no!
It's 5:20 right now...
So he has 10 minutes until they close.

Tsurugaya-san! We have an urgent situation!
What?
Really!?
In any case, we have to hurry!
Yeah!
Ah!
Wait for me!
Oh my gosh! We are so screwed~!
President, you are still using your girly voice.
Oh, whoops.

第6話 Chapter 6

Tsurugaya-san, we have an emergency!
It turns out that Ooji-san is already on his way to the Sports building with his resignation!
Oh no!
The Sports Society will close within 10 minutes!
What... What are we going to do?
We don't have much time!
We have to stop him no matter what!
I've heard all I needed to hear...

First, put these on!
Huh?
Just put 'em on! Hurry!
O-Okay!
Just leave it all to the Magical girl: Magolika!
Ah, that's 2nd Year Majo-kun.
Um... Who is that...?

Her full name is Majolica le Fay.
but everyone calls her Majo-san, for short.
Majo-kun is also the one who crafted those Neko Neko Knuckles for Ookami-kun.

Aww~... Haibara-sama... Such a truly wonderful return of favor...
Oh, uh... Yeah.
I know what kind of person everyone is a little better now...
So... PLEASE STOP ALL OF THAT STARING~!

Since you've survived your first job without any mishaps, you are now officially one of us!
Welcome, Morino-kun! I look forward to working with you!

Shall we start off by introducing you to the members of the bank?
